

Mobile TV Cart with Camera Shelf

Model: AVC-FST-01GFS

This High Quality Aluminium & Tempered Glass TV Cart offers a complete solution by serving a variety of projection needs for businesses, schools and other organisations. The versatile presentation carts allow you to hold meetings with A/V support or simply to display information. The telescoping height adjustable column with cable management organises cables for a neat and clean look. It is also equipped with height adjustable glass shelf for accessories. This solid TV mount supports flat panel displays up to 50 kgs and can be used for landscape or portrait screen mounting as per choice and requirement with 2 locking and 2 non-locking heavy-duty castors. It can be used as a mobile display cart or static stand.
